

DIRT FACTORY BIKE PARK RULES

READ THIS NOW

Park Entry

1. You must check-in at reception each time you visit the bike park.
2. You must complete and have a signed waiver on file to ride the bike park.
3. If you are under 18 you must have the consent of your parent or guardian to ride the bike park.
4. Children under 12 must be supervised by a parent or guardian.
5. Passes are non-transferable.
6. We reserve the right to revoke or suspend passes at any time for violations of the rules or inappropriate conduct.
7. No outside food or drinks allowed in the bike park.

Ride Etiquette

8. Helmets must be worn at all times whilst riding the bike park.
9. A minimum of a working rear brake is required to ride the bike park.
10. The indoor and outdoor trails are designed to be ridden anti-clockwise. Please familiarise yourself with the trail map and signs before riding. Anyone seen riding the wrong way will be asked to leave the bike park.
11. Front brakes, full face helmets, gloves, elbow pads, knee pads, shin guards, mouth guards and protective gear are highly recommended whilst riding the bike park.
12. It is your responsibility to familiarise yourself with the bike park and trail features before attempting to ride. Look before you ride.
13. Do not attempt to ride the bike park unless you have sufficient ability and experience to do so safely.
14. Do not stop where you obstruct the course or are not visible to other riders.
15. Look for small features to begin with and work your way up to larger features.
16. Always ride in control and within your ability level.
17. Stunt pegs are not allowed in the bike park and must be removed before riding. If you cause damage you may be held responsible for the cost of the repairs to the trail features.
18. Features, jumps and trails are for riders only, no pedestrians or spectators allowed.

Park Essentials

19. Park bikes in designated areas only.
20. Bikes to be walked in pedestrian areas at all times.
21. Inspect your bike and equipment before riding in the bike park. Your bike and equipment are your responsibility.
22. If you see dangerous or unsafe conditions within the bike park report it to a member of staff immediately.
23. Please treat the facilities, staff, fellow riders and visitors with respect at all times.
24. Smoking is not allowed in the bike park at any time.
25. You will not be allowed to ride the bike park if it is perceived that you are intoxicated or considered a danger to yourself or other riders.
26. Dirt Factory will not accept responsibility for the loss or damage of any personal belongings on the premises.

Air Bag Rules

- Although it might be soft, you can seriously injure yourself if you don't follow the rules. Know your limits. Do not jump if you are not confident. This Air Bag is for advanced riders only.
- Please read carefully and ask a member of staff if you are unsure about anything.
- You must be over the age of 8 to use the air bag and roll in ramp.
- Do not attempt to ride the roll in ramp or Air Bag unless you have sufficient ability and experience to do so safely.
- One rider at a time. You MUST wait until the rider before you is completely off the Air Bag and on the other side of the caution line marked on the floor.
- You must always wear a helmet. A full face helmet and body armour is strongly advised.
- Do not jump when not inflated.
- Don't land on your head.
- Don't throw your bike.
- Follow the arrow when exiting the Air Bag.
- It is your responsibility to familiarise yourself with the air bag and roll in ramp before attempting to ride.
- Look before you ride.

Modular Pump Track Rules

- You can seriously injure yourself if you don't follow the rules. Know your limits. Please read carefully and ask a member of staff if you are unsure about anything.
- Do not attempt to ride the Modular Pump Track unless you have sufficient ability and experience to do so safely.
- Do not ride the Modular Pump Track if you are not confident. The Modular Pump Track is for advanced riders only.
- Leave at least three bikes lengths between you and other riders.
- Do not stop where you obstruct the course or are not visible to other riders.
- You must always wear a helmet. A full face helmet and body armour is strongly advised.
- Always ride in control and within your ability level.
- Do not ride the Modular Pump Track in icy, wintery or slippery conditions.
- Inspect your bike and equipment before riding the Modular Pump Track. Your bike and equipment are your responsibility.
- It is your responsibility to familiarise yourself with the Modular Pump Track before attempting to ride.
- Look before you ride.

Outdoor Trail Rules

- You can seriously injure yourself if you don't follow the rules. Know your limits. Please read carefully and ask a member of staff if you are unsure about anything.
- Do not attempt to ride the outdoor trails unless you have sufficient ability and experience to do so safely.
- Do not ride the outdoor trails if you are not confident. The outdoor trails are for advanced riders only.
- The outdoor trails are designed to be ridden anti-clockwise. Anyone seen riding the wrong way will be asked to leave the bike park.
- Leave at least three bikes lengths between you and other riders.
- Do not stop where you obstruct the course or are not visible to other riders.
- You must always wear a helmet. A full face helmet and body armour is strongly advised.
- Always ride in control and within your ability level.
