### Usage guidelines

Trail Anywhere products are made from high quality phenolic plywood with a birch core. They are suitable for temporary use in damp conditions but should not be stored outdoors.

- Only use the wedge ramp on a firm, level surface to ensure stability
- Always use appropriate safety equipment and ensure that your bike is suitable for the type of riding that you are doing
- Inspect the wedge ramp regularly and stop using it if there are signs of structural damage
- The wedge ramp has been tested for a maximum combined bike and rider weight of 110kg

We hope you enjoy using your Trail Anywhere wedge ramp, please have fun and tag [@trailanywhere](https://www.instagram.com/trailanywhere) in your sends!
